Final Project

OBJECTIVE AND PERSUASIVE MEMORANDUM

For the final project you are to prepare an internal (objective) memorandum using the QKast Assignment on Seaport. THIS MUST BE DONE 1ST!

You are then to take the opposite position of that taken in your memorandum and write a persuasive trial brief to the judge (me 😊). You argue exactly the opposite of what you decided in the internal memo.

You may use the sample memorandums I have uploaded as a guideline. Try to use the techniques described in your text book.

The assignment is worth 250 points, 125 points for each memorandum.
